CAPITAL MARKETS REPORT: US MORNING BRIEFING

1,294 字

2008 年 1 月 24 日 11:10

Dow Jones Capital Markets Report

CM

英文

(c) 2008 Dow Jones & Company, Inc.

SNAPSHOT:

-U.S. stocks seen opening lower; Treasuries seen higher; Brent crude up; gold up.

-Watch for jobless claims at 0830 ET/1330 GMT, business barometer and existing home sales at 1000 ET, DOE oil inventories at 1030 ET.

-Dollar steady

-Spanish finance minister: debate in ECB over possible rate cut; SocGen discloses EUR4.9B loss on trader fraud; EU'S Almunia sees slightly lower euro-zone growth in 2008; German Jan Ifo business climate rises to 103.4; ECB Bini Smaghi: EU integration makes fincl contagion likely.

U.S. MARKETS OUTLOOK:

BONDS: U.S. Treasuries are expected to open higher in New York, recouping some of the losses incurred during the late sell-off Wednesday. In London, the two-year note is up 6/32, at 102 8+/32 to yield 2.049%, with the 10-year note up 29/32, at 106 5/32 to yield 3.502%. The 30-year bond is up 31+/32, at 112 9/32 to yield 4.262%.

Spreads on the Markit iTraxx Crossover European credit derivatives index are significantly tighter, following the overnight rally in U.S. stocks. The index is quoted at 452/462 basis points shortly, compared with 482/485 basis points late Wednesday. Stock-tracking has been the trend in the index, leading to extreme nervousness and volatility in the market, but signs of concerted action to resolve the problems at U.S. monoline bond insurers are lending support to credit markets.

Bunds and gilts are lower, in reaction to the rally in equities, traders say. The March bund future is down 0.57 at 116.50, depressed by a stronger-than-expected German Ifo survey, and March gilts are down 0.33 at 110.68.

FOREX: The dollar is little changed, with much of the market's focus on the euro, after Spanish Finance Minister Pedro Solbes said there is a "significant debate" being conducted within the European Central Bank over whether it should follow the U.S. Federal Reserve and cut interest rates. At 0555 ET, the euro was at \$1.4630, little changed from late Wednesday in New York. The dollar was flat at Y106.14 and CHF1.0905. The pound was at \$1.9574, up slightly from \$1.9566.

EQUITIES: U.S. stocks are expected to open mostly lower, as investors consolidate gains from Wednesday's late-session rally while fears of a receding U.S. economy and global slowdown continue to weigh, says Jimmy Yates, trader at spreadbetter CMC Markets.

"Given the current climate, the scope for volatility will prevail and this could be exacerbated by the lack of newsflow," Yates adds.

CMC Markets is calling the Dow Jones Industrial Average to open down 85 points at 12,185, the **S&P500** down 5.3 points at 1333.6 and the Nasdaq 100 up seven at 1,796

European stock markets are higher, getting a further boost from stronger-than-expected German sentiment data and comments from Ifo institute economist Gernot Nerb that he expects the ECB to cut interest rates in coming months, traders say.

At 0530 ET, the Eurostoxx50 index is up 4.2% at 3728.75, the FTSE 100 is up 2.9% at 5770.1, and the DAX 30 is up 4.5% at 6731.52.

COMMODITIES: Crude oil futures are higher, supported by gains on global equity markets. The oil market continues to monitor equity indexes for signs of economic health and future crude demand, although the publication of weekly U.S. Department of Energy data will offer the market some fresh fundamental data.

At 0531 ET, March light, sweet crude futures on Nymex are up 76 cents at \$87.75 a barrel, while ICE March Brent is up 78 cents at \$87.40/bbl.

Spot gold is holding overnight gains made in Asia, supported by higher equities in Asia and Europe, a London-based trader says. He says the market will watch how the U.S. opens, following its late recovery Wednesday. He adds that any U.S. dollar weakness will also be supportive and could help gold prices higher.

At 0529 ET, spot gold was at \$890.90 a troy ounce, up 1.6% from Wednesday's low, while silver was at \$16.085/oz, up 2.3% from Wednesday's low.

=====

TOP STORIES OF THE DAY:

SPANISH FINANCE MINISTER PEDRO SOLBES said there's "significant debate" within the European Central Bank over whether to cut interest rates in face of current financial market turmoil. (By Santiago Perez)

ECONOMIC GROWTH IN THE EURO ZONE WILL be "slightly lower" this year, European Commissioner for Economic and Monetary Affairs Joaquin Almunia told Dow Jones Newswires. (By Adam Cohen)

EURO-ZONE ECONOMIC GROWTH IN 2008 may come in slightly below potential, defined by the European Central Bank as 2%, ECB Governing Council Member Klaus Liebscher said in an interview. (By Flemming E. Hansen)

GERMAN BUSINESS CONFIDENCE ROSE IN JANUARY - the first increase since November 2007 - due to an optimistic outlook for the coming six months, the German Ifo Institute said. (By Monica Houston-Waesch)

CONSTRUCTION AND INDUSTRIAL PRODUCTION helped the Ifo business sentiment index climb in January, said Ifo economist Gernot Nerb, despite a retail sector that continued to disappoint. (By Niels C. Sorrells)

EUROPEAN UNION INTEGRATION MAKES FINANCIAL contagion more likely, European Central Bank board member Lorenzo Bini Smaghi said in a speech. (By Christopher Emsden and Jennifer Clark)

CHINA'S ECONOMIC GROWTH SLOWED SLIGHTLY in the fourth quarter, but full-year gross domestic product still expanded to a more than 10-year high, showing resilience so far in the face of problems in the U.S. (By Terence Poon, Aaron Back and Victoria Ruan)

FRANCE'S SOCIETE GENERALE (13080.FR) said "fraud" related to a trader will result in a EUR4.9 billion loss and that it will write down an additional EUR2.05 billion in assets related to subprime exposure, leading it to do a capital hike of EUR5.5 billion in the "following weeks." (By Nicolas Parasie)

ITALIAN CONSUMER CONFIDENCE FELL TO ITS LOWEST level since August 2005 in January, as consumers' concerns over inflation and the overall economic situation worsened throughout the nation, data from Italian research center ISAE showed. (By Sofia Celeste and Jennifer Clark)

JAPAN'S TRADE SURPLUS SHRANK IN DECEMBER for the second straight month as exports, particularly those to the U.S., slowed while record-high oil prices boosted the value of imports, the government said. (By Akane Vallery Uchida)

WHETHER CHINA WILL CHANGE ITS MONETARY POLICY stance depends partly on the U.S. economy, Xie Fuzhan, director of the National Bureau of Statistics, said.

JAPANESE ECONOMIC ACTIVITY FELL 0.5% ON month in November, the Ministry of Trade, Economy and Industry said, marking the first drop in two months. (By Tomoyuki Tachikawa)

U.K. MORTGAGE LENDING revived somewhat in December, but remained substantially below the average for the second half of the year, data published Thursday showed. (By Natasha Brereton and Nick Winning)

HONG KONG (MarketWatch) -- Hong Kong shares turned sharply lower Thursday, giving up early gains, on a wave of selling in the closing minutes following news that French bank Societe Generale has posted billions of dollars in losses.

Several other markets in the region, however, ended higher as an overnight bounce on Wall Street lifted financials such as Japan's Mitsubishi UFJ Financial Group, Australia's Macquarie Bank and Singapore's DBS Group Holdings.

Hong Kong's Hang Seng Index ended down 2.3% at 23,539.27, after rising as high as 24,966.17. The Hang Seng China Enterprises Index closed down 2.6% at 12,933.20.

"The market started to fall after the Societe Generale news came out," said Francis Lun, general manager at Fulbright Securities in Hong Kong.

The late retreat stood in contrast to the performance of European markets Thursday and followed news that Societe Generale will take a \$7.1 billion loss after an "exceptional fraud" and will also take a 2.05 billion-euro asset write-down charge. (RELATED ARTICLE: Financials lead Europe stocks to big gains after Street rally)

India's Sensitive Index, or Sensex, also dived from its intraday high at 18,185.10, and was down 1.1% at 17,407.68 in afternoon trading. Thailand's SET Index dropped 0.6% to 735.94, after rising as high as 750.01 earlier.

"I think the news came when the [Hong Kong] market had a strong rally yesterday and earlier today. So, traders would have been quick locking in short-term profits or taking defensive action," said Howard Gorges, vice chairman at South China Brokerages in Hong Kong.

"It's sentiment really... People are just wary that there could be other European banks also coming out with trading losses," added Gorges.

Tokyo, Sydney advance

Earlier in the day, Japan's Nikkei Stock Average regained the 13,000-point level, ending up 2.1% to 13,092.78, on top of its 2% advance in the previous session. The broader Topix index added 2.8% at 1,284.45.

Australia's S&P/ASX 200 gained 3.1% at 5,580.40, New Zealand's NZX 50 index rose 1.2% to 3,658.61 and South Korea's Kospi advanced 2.1% to 1,663.

China's Shanghai Composite added 0.3% at 4,717.73 after a volatile session and Taiwan's Weighted index climbed 1.5% to 7,517.05.

In late afternoon trading, Singapore's Straits Times index jumped 2.3% to 3,050.76, bolstered by news that China's banking regulator, the China Banking Regulatory Commission, signed an agreement with its Singaporean counterpart, allowing Chinese banks to channel funds into Singapore's stock market.

Regional detail

In Hong Kong, gains posted earlier by property, financial and telecommunications shares evaporated in the last hour of trading. Shares of property developer Cheung Kong (Holdings) (1, HK)(CHEUY, US) ended with a

loss of 6% and China Mobile (941, HK)(CHL, US) stock dropped 3.5%, while HSBC Holdings (5, HK)(HBC, US) shed 0.7%.

Property shares had risen on hopes the U.S. Federal Reserve might cut interest rates further in a scheduled meeting of the Federal Open Markets Committee next week. Hong Kong, which pegs its currency to the U.S. dollar, follows U.S. interest rate adjustments with similar changes of its own. Shares of telecom firms rose on hopes China may announce plans for an industry consolidation.

In Mumbai, technology shares retreated in the afternoon sell-off, with shares of Infosys Technologies (INFY, US) little changed and Wipro (WIT, US) down 3.4%. Both had risen earlier on bargain buying after a string of losses recently on worries their U.S. clients may cut their information technology budgets, hurting their order flows.

Banking and financial services stocks advanced in Japan, Australia and Singapore, with Mitsubishi UFJ Financial Group's (8306, JP)(MTU, US) shares jumping 7.5% and Mizuho Financial Group (8411, JP)(MFG, US) gaining 5% in Tokyo, while in Sydney, shares of Macquarie Bank (MQG, AU) advanced 8.6%.

In Singapore, DBS Group Holdings (DBSDY, US) stock rose 3.7% and United Overseas Bank (UOVEY, US) climbed 3.3% by late afternoon.

In Tokyo, shares of Advantest Corp. (ATE, US)(6857, JP) tumbled 9.2% after the Nikkei business daily reported that the chipmaker is expected to report a 40% decline in its fiscal-year operating profit on sluggish demand for chip-testing equipment. The company had earlier projected a 17% decline in its annual operating profit.

In Sydney, shares of mining giant BHP Billiton (BHP, US)(BHP, AU) added 2.7% in a strong broad market, despite news that it has declared force majeure on coal production from its operations in the Australian state of Queensland, which have been impacted by heavy rains.

Chinese inflation, GDP remain high

In economic news, China's blistering growth slowed to 11.2% in the three months ended December from a year-ago, according to official data. The country's inflation for the same month, however, rose as much as 6.5% and was expected to worry policy makers into renewed tightening efforts to cool growth and contain soaring prices.

Japan's trade surplus dropped 20.9% in December from a year ago, for the second month in a row, as growth in imports outpaced exports. Japan's surplus for 2007, however, jumped 37% after registering negative growth in the previous two years, led by higher exports in the earlier months.

In central bank moves, the Reserve Bank of New Zealand left a key interest rate unchanged at 8.25%.

In currency markets, the U.S. dollar tumbled 0.5% to 106.06 yen and the Australian dollar lost 0.5% at 92.69 yen.

March crude-oil futures rose as much as \$1.04 to \$88.03 a barrel in electronic trading, after ending down \$2.22 at \$86.99 a barrel Wednesday on the New York Mercantile Exchange.

The Dow Jones Industrial Average (\$INDU, US) ended 299 points higher at 12,270.2 overnight, as investors rushed into financial issues and bet on another rate cut by the Federal Reserve next week. The **S&P500** (\$SPX, US) advanced 28.10 points to 1,338.60 and the Nasdaq Composite (\$COMPX, US) gained 24.14 points to 2,316.41.

Hong Kong shares turned sharply lower Thursday, giving up early gains, on a wave of selling in the closing minutes following news that French bank Societe Generale has posted billions of dollars in losses.¹⁰³

MARKET COMMENT: Zurich Stocks Close Down, Mirroring S&P 500

139 字

2008 年 1 月 16 日 16:38

Dow Jones International News

DJI

英文

(c) 2008 Dow Jones & Company, Inc.

1638 GMT [Dow Jones] SMI closes -1.6% at 7847.52, wiping out a tentative comeback after better-than-expected Wells Fargo results, plus in-line JP Morgan results and CPI data, says a trader. "There was some hope, but it turned rather quickly to the downside again as soon as the **S&P500** opened," he says. The biggest losers are ABB and Syngenta, both -5.1%, and Credit Suisse, -4.6%. The trader says a break through the **S&P500**'s support of 1360 would be a clear negative for the SMI Thursday. Adds focus will be on Merrill Lynch earnings and US housing starts. (CPZ)
